

No one's timing how
long you have this
zine open

Nothing's
tracking your
eye movements

No one knows
if you're reading
this.

Isn't it a nice
feeling?

You won't get
recommendations
based on your
interest in it

You won't be asked
for your feedback

No one's trying to
sell you anything

No One Will Know
If You Read
This Zine
Or Not

You won't be added
to a mailing list

It's just a little
note to say we
hope you have a
good day

(unless you tell them yourself)
